

## Rajaville Oy

**Rajaville Oy** is the leading concrete industry operator in Northern Finland and the Cap of the North. We supply overall solutions consisting of concrete elements and other prefabricated elements to large and demanding premises, halls, and industrial buildings as well as residential buildings and infrastructure.

We are a flexible and excellent partner even in the most demanding of construction projects.

Our production facilities are located in Oulu. We are in the turnover class of 10–25 million euros and the personnel class of 101–150 people.
