

Vekas Oy

Vekas Oy has manufactured outdoor bathtubs for more than ten years for some of the finest destinations in Finland and for export. At the moment we use PE plastic to manufacture our outdoor bathtubs which are insulated and coated with heat-treated wood.

Our outdoor hot tubs are 100% Finnish, developed to meet the arctic conditions of Finland.

Vekas Oy is located in the Maikkula business park. The company is in the turnover class of under 0.5 million euros and the personnel class of three people.
