

Hätälä Oy

Hätälä Oy produces quality fish products for retail firms, professional kitchens, and wholesale businesses. Established in 1938, this family business puts significant effort into the future with their innovative product development work and by investing in the latest production technology. In production and product development, the best results are created out of the combination of traditional manual skills, open-mindedness, and state-of-the-art technology. In the extensive product range of Hätälä you will find fish products for both consumers and fish counters. Through the effective logistics, the products are transported refrigerated throughout Finland.

The company is headquartered in Oulu, but we also have production in Himanka. Our sales offices are located in Oulu, Seinäjoki, and Hämeenlinna. We are in the turnover class of 50–75 million euros and the personnel class of 76–100 people.
