

Metos Oy Ab

Metos is an environmentally certified full-service company of high quality, designing, manufacturing, and marketing professional kitchen equipment to professional kitchens of different types and sizes.

Our services include kitchen design, training, and maintenance, among other things. Metos was founded in 1922. The Metos sales and maintenance facility in Oulu has been in operation from the year 1962. We are the market leader in the Northern Countries, the Baltic Countries and the Benelux.

Metos head office, production facilities, and the Metor Center training facilities are located in Kerava. Our other production facilities are located in Sorsakoski, Växjö in Sweden, and Tallinn in Estonia. Metos provides extensive professional kitchen services in Finland, Sweden, Norway, Estonia, Latvia, Lithuania, Russia, the Netherlands, and Belgium.

Metos employs approx. 850 people in nine different countries and has a turnover of 180 million euros (2012).
