

Oplax Oy

Oplax Oy is a company specialising in packing and logistics services. Our company manufactures wooden pallets and packing bases. In our factories in Kemi and Oulu, we also offer recycling services. In our Rovaniemi factory, the focus is on manufacturing wooden packing products, such as pallets, industrial shelters, and crates as well as sample crates for the mining industry. In Tornio, we manufacture wooden bases for the steel industry and wooden grates for export. We also offer customised pallet solutions for our clients.

Our head office and one of our factories are located in Oulu. Our other factories are located in Kemi, Rovaniemi, and Tornio. We are in the turnover class of 10–25 million euros and the personnel class of 26–50 people.
