

Wheslyn Group Oy / Balmuir

Balmuir is a Finnish, rapidly growing family business, founded in 2007. Balmuir has evolved into a luxury lifestyle brand with its handmade items of limited series. The materials used are the finest linen, cashmere, kid mohair wool, and water buffalo leather.

The products are pure luxury from their material to their design, and they are manufactured with high ecological and ethical principles and fine craftsmanship. Balmuir products are loved all over the world by stylists, interior designers, and consumers.

The production is done by subcontractors in Finland and abroad. The product quality control is centred in Oulu. The company is in the turnover class of 1–5 million euros and the personnel class of 1–10 people.
